Chapter 11

**DECLARATION OF CHRIS WITHROW
IN SUPPORT OF FIRST DAY MOTIONS**

Date: May 9, 2019
Time: 3:30 p.m.
Place: 1300 Clay Street
Courtroom 220
Oakland, CA 94612
Judge: The Hon. William J. Lafferty, III

1 I, Chris Withrow, declare:

2 1. I am the Chief Executive Officer of the above captioned debtor (the "Debtor"), and
3 I have personal knowledge of the facts set forth herein.

4 2. ANKA is a 501(c)(3) non-profit behavioral healthcare corporation that has operated
5 since 1973. It has earned national recognition as a result of its ability to design, implement, and
6 operate exceptional, innovative programs. Over the course of a year, ANKA serves nearly 15,000
7 individuals and their families and generally has 200-300 clients at any one time at over 50
8 facilities that it operates throughout California and Michigan. ANKA's residential and Intensive
9 Outpatient Programs (IOP) are located in Contra Costa, Alameda, Solano, Sonoma, Santa Clara,
10 Fresno, San Luis Obispo, Santa Barbara, Ventura, Los Angeles, and Riverside Counties and there
11 is one facility in Michigan.

12 3. ANKA employs almost 1,000 professional and specialized staff members and
13 independent contractors across the states of California and Michigan. Its philosophy is to treat the
14 whole person by fully integrating care of both mind and body, always using clinically-proven,
15 psycho-social models designed to promote health and wellness while containing costs. It offers
16 the best and newest treatment methods for those seeking help in a warm and supportive
17 environment. ANKA provides crisis residential treatment, transitional residential treatment, long-
18 term residential treatment, outpatient services, forensic programs and vocational services. Its
19 specific programs include the following:

- 20 • Crisis Residential Treatment for Children & Adults with Co-Occurring Disorders
- 21 • Substance Use Treatment Programs
- 22 • Residential Programs for Children & Adults with Intellectual Disabilities
- 23 • Care/Drop-In Centers
- 24 • Forensic Outpatient & Residential Services
- 25 • Independent & Supportive Housing
- 26 • Mental Health Rehabilitation Centers
- 27 • Veterans Services
- 28 • Assertive Community Treatment/Full Service Partnerships Programs

- Transitional Residential for Co-Occurring Disorders
- Eating Disorder Treatment
- Homeless Continuum of Care
- Day Programs/Outpatient Services
- Vocational Services
- Emergency Shelter Services
- U.S. Probation Mental Health Assessment
- Outreach & Engagement

4. The Debtor filed a voluntary petition under chapter 11 of the Bankruptcy Code on April 30, 2019 (the "Petition Date"). The Debtor continues to operate its business, manage its financial affairs, and operate its bankruptcy estate as a debtor in possession.

5. ANKA commenced this bankruptcy case so that it can undertake an orderly wind down of all of its residential and outpatient treatment programs. It is working closely with the California Department of Developmental Services, regional centers, and county mental health agencies to ensure that all of the needs of the patients are met. ANKA's goal is to transition all of the locations to other providers without closing any facilities to ensure that there is no interruption in patient services, and that the employees continue to work at the same locations since they have the knowledge and relationships with the patients. The Company is committed to an orderly and complete transition of its clients and patients to alternate providers before terminating any service or closing any facility.

6. The bankruptcy was necessitated because some vendors threatened to discontinue services, and without those services, ANKA could not operate its business. ANKA's financial difficulties primarily arose because of unexpected losses associated with ANKA's expansion into new developmental disabilities service programs. The licenses for the new locations were unexpectedly delayed due to new regulations and could not be operated for significant periods while expenses accrued immediately. The commencement of this bankruptcy case provides ANKA with an ability to orderly transfer its patients to other providers while making current payments to creditors.

1 7. ANKA anticipates that it will have accomplished the transfer of its patients to new
2 providers within the next 4-6 weeks, subject to certain regulatory considerations and approvals.

3 8. I make this declaration in support of the following applications or motions, and in
4 support thereof further represent as follows:

5 (a) **EMERGENCY MOTION OF DEBTOR FOR ENTRY OF ORDER: (I)**
6 **AUTHORIZING DEBTOR TO (A) PAY PREPETITION EMPLOYEE**
7 **WAGES AND SALARIES, (B) PAY EMPLOYEE WITHHOLDINGS**
8 **AND (II) AUTHORIZING AND DIRECTING THE APPLICABLE**
9 **BANK TO PAY ALL CHECKS AND ELECTRONIC PAYMENT**
 REQUESTS MADE BY DEBTOR RELATING TO THE
 FOREGOING; MEMORANDUM OF POINTS AND AUTHORITIES
 IN SUPPORT THEREOF

10 (i) The Debtor's request that the relief sought in this corresponding
11 Motion be granted on an emergency basis because they will suffer irreparable harm without the
12 relief requested. The Debtor's employees are vital to the operation of the Debtor's residential and
13 outpatient treatment facilities, and to the health, welfare, safety and security of the patients who
14 seek both outpatient, treatment and reside therein. Payment of, and otherwise honoring, the
15 Employee Obligations are necessary to prevent employees from terminating their employment
16 with the Debtor and to maintain the employees' morale pending resolution of the Case.

17 (ii) It is imperative to accomplish the Debtor's goals in this Case, that
18 the Debtor minimize any adverse impact of the chapter 11 filing on the Debtor's workforce, on the
19 patients, and on the operations of the Debtor's residential and outpatient treatment facilities. Any
20 disruption to payment of the payroll in the ordinary course, or to the continued implementation of
21 employee programs in the Debtor's discretion, would adversely affect the Debtor's ability to
22 accomplish these goals because such events could cause some employees to terminate their
23 employment with the Debtor, could cause employees to be distracted from their duties to care for
24 the patients, the operation of the treatment facilities, and could hurt employee morale at a
25 particularly sensitive time for all employees. Many of the employees may live pay check to pay
26 check and the Debtor cannot risk having these employees terminate their services. Failure to
27 honor payroll and could have severe repercussions on the Debtors' ability to preserve their assets
28 and administer their estates, to the detriment of all constituencies, but most notably the patients.

1 (iii) The Debtor employs approximately 968 employees. The employees
2 regarding for whom relief is requested are still employed by the Debtor.

3 (iv) Both full-time and part-time ("core") employees are regularly
4 scheduled to work every pay period whereas per diem employees are used on an as-needed basis.
5 Per diem employees are called in whenever the facilities would not otherwise meet their core
6 staffing requirements - for example, when core employees are sick or on vacation.

7 (v) The employees are paid their wages and salaries (the "Wages") bi-
8 weekly, in arrears, ten days after the end of every 14-day pay period, through direct deposit or by
9 check. The Debtor's average bi-weekly gross payroll is approximately \$1,408,365.41, which
10 includes approximately \$31,324.39 for executive payroll.

11 (vi) The Debtor uses an outside payroll service to prepare the paychecks
12 for all employees. The Debtor seeks authority to pay the employees on May 10, 2019, the amounts
13 set forth on **Exhibit A**. The Debtor's pay date is May 10, 2019, and it will need to fund that
14 payroll on May 9, 2019.

15 (vii) Exhibit A reflects \$1,615,959 is owed on account of prepetition
16 wages, expenses (and uncashed checks written within 180 days) on account of which does not
17 exceed \$13,650 per employee.

18 (viii) Debtor also seeks authority to pay approximately \$114,000 for the
19 employer portion of the taxes for a total expense of \$1,729,959.64.

20 (ix) Debtor will owe its payroll company Paycom approximately
21 \$11,000 with respect to its processing of the Debtor's payroll and related payroll administration
22 matters (the "Administration Fees") at the time of processing.

23 (x) The Debtor customarily reimburses employees who incur business
24 expenses in the ordinary course of performing their duties on behalf of the Debtor. Such expenses
25 typically include, but are not limited to, business-related travel expenses (including mileage),
26 business meals, relocation allowances, tuition reimbursement, and other items (the
27 "Reimbursement Obligations"). Expense reports detailing the Reimbursement Obligations are
28

submitted for reimbursement by the employees and generally must be supported by copies of receipts. Any such requested expense reimbursement is set forth on Exhibit A.

(xi) In the ordinary course of their business, the Debtor routinely withholds from the Wages certain amounts that the Debtor is required to transmit to the government and certain third parties for purposes such as Social Security and Medicare withholdings, federal and state or local income taxes, contributions to the Debtor's benefit plans, garnishment, child support or other similar obligations pursuant to court order or law (collectively, the "Withholding Obligations"). These funds do not belong to the Debtor, and as such must be paid. The failure to transfer these withheld funds could result in hardship to certain employees and liability for the Debtor. The Debtor expects that if these Withholding Obligations are not paid, the Debtor will receive inquiries from garnishors regarding the Debtor's failure to submit, among other things, child support and alimony payments, which are not the Debtor's property but, rather, have been withheld from employee paychecks. Moreover, if the Debtor cannot remit these amounts, the Debtor and their employees may face legal action due to the Debtor's failure to remit these payments.

(xii) The proposed payments to employees are absolutely necessary. The failure of the Debtor to pay the Wages/Salaries timely in the ordinary course of their business would result in a blow to employee morale that in all likelihood could lead to employee turnover and other serious and irreparable disruptions of the Debtor's operations as well as possible harm to the patients. Any significant number of employee departures or deterioration in morale, especially at this sensitive time, will substantially and adversely impact the Debtor's ability to operate the Debtor's treatment facilities and causing irreparable harm to the patients and Debtor's estates.

(xiii) The proposed payments will not render the Debtor's estates administratively insolvent because the Debtor has included the funds for the Employee obligations in its Cash Collateral Budget (defined below).

(b) **DEBTOR'S MOTION FOR ORDER EXTENDING TIME FOR
DEBTOR TO FILE SCHEDULES OF ASSETS AND LIABILITIES
AND STATEMENT OF FINANCIAL AFFAIRS AND OTHER
REQUIRED DOCUMENTS**

1 (i) The Debtor has dedicated the approximate first week of this case to
2 the critical tasks of ensuring that the Debtor can continue to use its cash management uses,
3 working approval of approval of a cash collateral budget, working on transitioning its operations
4 to a new provider to care for its patients, on meeting its payroll obligations, ensuring that the
5 Debtor has sufficient funds and authority to use funds in order to operate its business during its
6 transition period, and the Debtor is in compliance with all of the Court's orders and requirements.

7 (ii) Given the fact that the Debtor and the staff have dedicated the first
8 week of these cases on various matters critical to the Debtor's operations and administration of
9 this bankruptcy cases, the Debtor requires additional time to prepare and file the Required
10 Documents (as that term is defined in the corresponding Motion). The Debtor must also prepare
11 the required documents for submission to the Office of the United States Trustee for the initial
12 debtor interview, which will require significant time and attention.

13 (iii) I am the primary representative of the Debtor and Responsible
14 Individual for the Debtor, assisting the Debtor in connection with preparing the Required
15 Documents. I also play a critical and substantial role in connection with performance of all of the
16 tasks referenced above, including preparation of the emergency motions and administrative
17 compliance materials, while also serving as Chief Executive Officer and undertaking all of the
18 tasks a chief executive officer of an operating company is required to undertake. I will be the
19 primary individual assisting the Debtor and the Debtor's counsel with preparing the Required
20 Documents, and given the circumstances discussed above, I require additional time to prepare the
21 Required Documents.

22 (iv) The Debtor requests a 30-day extension of the deadline to file the
23 Required Documents. The Debtor filed its bankruptcy petition on April 30, 2019. The deadline
24 imposed to file the Required Documents by the Bankruptcy Code and Notice Order is May 14,
25 2019.

26 (v) In addition, the Debtor requires more time to fully analyze its assets
27 and liabilities (since it operates some 50 facilities with 200-300 patients, and almost 1,000
28

employees in California and Michigan) with the assistance and advice of counsel in order to prepare full and accurate Schedules, Statements and other Documents.

(vi) Furthermore, I believe that no creditors will be prejudiced by the extension of time requested.

(c) **MOTION FOR ORDER LIMITING NOTICE**

(i) There are over 1,547 creditors in this case as of this date.

(ii) To continue to send notices to all parties in interest set forth in Debtor's creditor matrix and master service list would result in a large expense due to copying and mailing the notices, as well as the numerous follow up telephone calls and inquiries to bankruptcy counsel that would likely follow after each pleading is noticed. Serving all parties in interest in this case with the subject notices will result in substantial expense to the estate without any measurable benefit, while an order limiting notice will provide the service of notice to only those parties who are affected and who wish to take an active role in the case by allowing them to request notice.

(iii) Due to the large number of creditors and parties in interest, Debtor submits it is appropriate for the Court to enter an order that will facilitate the efficient and economical administration of this case while allowing any party desiring to participate in the case an opportunity to do so by requesting and therefore receiving, special notice.

(d) **DEBTOR'S APPLICATION FOR AN ORDER APPOINTING DONLIN, RECANO & COMPANY, INC. AS CLAIMS AND NOTICING AGENT FOR THE DEBTOR PURSUANT TO 28 U.S.C. § 156(c), NUNC PRO TUNC TO THE PETITION DATE**

(i) As represented in the corresponding application, I believe that the appointment of a claims and noticing agent is both necessary and in the best interests of both the Debtor's estate and its creditors and that Donlin, Recano & Company, Inc. is qualified to perform the services required.

(e) **DEBTOR'S APPLICATION TO EMPLOY WENDEL, ROSEN, BLACK & DEAN LLP AS CHAPTER 11 COUNSEL AND VERIFIED STATEMENT OF COUNSEL**

1 (i) The Debtor has selected Wendel Rosen as its reorganization co-
2 counsel to assist it in the administration and operation of the voluntary bankruptcy case under
3 Chapter 11 of the Bankruptcy Code. I believe that Wendel Rosen's attorneys are well qualified to
4 represent the Debtor in this Chapter 11 case and are familiar with the Debtor and the facts
5 necessary to represent it in this case.

6 (f) **APPLICATION FOR AUTHORITY TO EMPLOY TRODELLA &
7 LAPPING AS CO-COUNSEL TO DEBTOR IN POSSESSION**

8 (i) The Debtor has selected Trodella & Lapping LLP as its
9 reorganization co-counsel to assist it in the administration and operation of the voluntary
10 bankruptcy case under Chapter 11 of the Bankruptcy Code. I believe that Trodella & Lapping
11 LLP's attorneys are well qualified to represent the Debtor in this Chapter 11 case and are familiar
12 with the Debtor and the facts necessary to represent it in this case.

13 (g) **DEBTOR'S APPLICATION AUTHORIZING THE EMPLOYMENT
14 OF BPM LLP AS THE DEBTOR'S FINANCIAL ADVISOR *NUNC
PRO TUNC* TO THE PETITION DATE**

15 (i) Debtor seeks to employ BPM LLP as its financial analyst to assist it
16 in the administration and operation of the voluntary bankruptcy case under Chapter 11 of the
17 Bankruptcy Code.

18 (ii) Russel K. Burbank ("Burbank") of BPM LLP was actively advising
19 the Debtor pre-Petition and is familiar with Debtor's operations and accounting systems, which
20 are complex due to the number of parties that the Debtor contracts with (more than 50 sites
21 throughout California and the site in Michigan).

22 (iii) Burbank has invested numerous hours reviewing and analyzing the
23 Debtor's capital structure, vendor and client relationships, and financial projections, and I believe
24 Burbank is well-qualified and able to act as the Debtor's financial advisor in a cost-effective,
25 efficient, and timely manner.

26 (iv) The Debtor's management and senior staff do not have sufficient
27 resources or experience to provide timely accounting and other information in the context of this
28 fast-moving chapter 11 and transition of the operations to new providers. Debtor is operating on

1 an almost constant emergency basis and needs the assistance that BPM can provide to manage this
2 case.

3 (h) **DEBTOR'S MOTION FOR APPROVAL OF STIPULATION FOR**
4 **INTERIM AND FINAL ORDER (I) AUTHORIZING DEBTOR'S USE**
5 **OF CASH COLLATERAL PURSUANT TO 11 U.S.C. § 363 AND**
6 **BANKRUPTCY RULE 4001 AND (II) GRANTING ADEQUATE**
7 **PROTECTION PURSUANT TO 11 U.S.C. §§ 361 AND 363**

8 (i) By this Motion, the Debtor seeks approval from the Court to enter
9 into and perform its obligations under a proposed Stipulation with Bank of Guam (the "Bank"),
10 which has pre-petition perfected liens on all or substantially all of Debtor's property, including all
11 of its accounts receivable. No other party has an interest in Debtor's accounts receivable. Without
12 the ability to use cash collateral, debtor's substantial operations will come to a halt, potentially
13 endangering the health of numerous patients under the care of Debtor's employees.

14 (ii) After a number of meetings and negotiations with the Bank and
15 extensive analysis of the Debtor's operating needs, the Debtor and its professionals reached an
16 agreement with the Bank and a budget (the "Cash Collateral Budget") under which the Debtor will
17 be able to operate through period needed to transition all patients and clients to new providers.

18 (iii) The proposed cash collateral stipulation attaches the Cash Collateral
19 Budget as an exhibit.

20 (iv) The cash collateral stipulation grants replacement liens to the Bank
21 in return for the financing and provides a carve-out for the budgeted items as well as the expenses
22 of professionals and of any trustee ultimately appointed in the case.

23 I declare under penalty of perjury that the foregoing is true and correct, and that this
24 declaration was executed on May 7th, 2019, at Oakland, California.
